- Except if otherwise indicated I was a participant in these activities.

Prior to 2013 I have always been in clinical practice, with informal teaching to MRCOG and MOG candidates.

Since joining MAHSA I have coordinated the 3rd year ObGyn programme in Sungai Buloh Hospital (2013/14).

In 2014 I was appointed Deputy Dean of Academic Affairs and assisted the Dean of the faculty during the MQA accreditation process in 2014 and 2017.

I have been involved in daily administration of the faculty and organization of all undergraduate professional examinations in the Faculty.

During this time I have also been fully involved in academic teaching at the Obstetrics and Gynaecology Department at the faculty.
